Nujoom Al Ghanem
In partnership with The Arts Center at NYU Abu Dhabi, Imagine Science Films (ISF) presents an interdisciplinary science film festival celebrating the art of science from March 2-4. The festival showcases three feature films, 24 short films, an art-science exhibition “Spectrum,” workshops, talks, performances, and more. The science festival will take place at NYU Abu Dhabi’s Saadiyat Island campus.

Reserve your tickets: nyuad-artscenter.org
All events are free.
