Do NYU Abu Dhabi students intern for credit?
Our students are not required to undertake internships for credit. They are quite active, with 90% of students complete at least one internship or work experience by the time they graduate.

Do I need to pay my NYU Abu Dhabi interns?
Internships can be paid or unpaid. It is worth noting that paid opportunities receive more applicant traffic. We strongly suggest that you provide your intern with a stipend to cover food and transportation costs. Although it is not required, our team can work with you to suggest a suitable monthly food and transportation stipend for your internship opportunity.

I want to hire a candidate of a certain nationality, ethnic background or gender. Can I do this?
NYU Abu Dhabi exercises a non-discrimination policy and therefore cannot post a position that preferences one nationality, ethnic background or gender. The only exception to this rule would be in the case of recruiting Emirati national talent.

I would like to hire NYUAD interns but I do not have an internship program in place at my organization. Can you help me develop one?
If you do not have an internship program in place, our team is happy to discuss your recruiting needs and help you create an internship program that will meet your needs as well as benefit our students. Please refer to our [Organization Internship Manual](#) to learn more about how to create a structured and robust internship program for your organization.
