New York University Abu Dhabi (NYUAD) is currently inviting applications for a tenured or tenure-track position at any level (assistant, associate, or full professor) in bioethics. Applicants must have a Ph.D. or J.D. Successful applicants are expected to be outstanding teachers who demonstrate a strong scholarly career track in bioethics. Interdisciplinary interests are encouraged, and some background in science, public health, or health policy is desirable. The faculty member’s primary appointment will be in the Department of Philosophy at NYUAD with an affiliation with the Division of Medical Ethics at NYU Langone Medical Center in New York City.

The terms of employment are competitive and include housing and educational subsidies for children. Members of NYU Abu Dhabi standing faculty receive generous support for research and travel. The teaching load is three undergraduate courses per year (semester system), including at least one in the core curriculum.

The appointment starting date is negotiable, pending candidate availability. Applications will be reviewed on a rolling basis and continue until the position is filled. To be considered, candidates should submit a cover letter, curriculum vitae, separate statements of research and teaching interests (not to exceed three pages each), and three representative publications. To complete the online process, applicants will be prompted to enter the names and email addresses of at least three referees. Each referee will be contacted to upload their reference letter. Senior candidates are not required to submit references at this time. Please visit our website at http://nyuad.nyu.edu/about/careers/faculty-positions.html for instructions and other information on how to apply. If you have any questions, please e-mail nyuad.humanities@nyu.edu.

About NYUAD:
New York University has established itself as a Global Network University, a multi-site, organically connected network encompassing key global cities and idea capitals. There are three foundational degree-granting campuses in New York, Abu Dhabi, and Shanghai, plus eleven other research and study-away sites across five continents. Faculty and students circulate within this global network in pursuit of common research interests and the promotion of cross-cultural and interdisciplinary solutions for problems, both local and global.

Entering its fifth year, NYU Abu Dhabi has recruited a cohort of faculty who are at once distinguished in their research and teaching. Our students are drawn from around the world and surpass all traditional recruitment benchmarks, both in the U.S. and globally. NYU Abu Dhabi’s highly selective liberal arts enterprise is complemented by an institute for advanced research, sponsoring cutting-edge projects across the Arts, Humanities, Social Sciences, Sciences, and Engineering.

NYU Abu Dhabi is an Equal Opportunity/Affirmative Action Employer.
