Assistant Instructor  
Computer Science  
NYU Abu Dhabi

New York University has established a campus in Abu Dhabi, United Arab Emirates, and invites applications for an Assistant Instructor position in the field of Computer Science. We encourage applicants with experience in undergraduate teaching of Computer Science courses and some system administration. An M.S. or M. Eng. in Computer Science or Computer Engineering is required.

The Assistant Instructor will support NYU Abu Dhabi's educational mission by assisting in the instruction of the Computer Science courses and recitations that are part of the Computer Science undergraduate curriculum. The instructor will also be responsible for grading assignments, take part in departmental activities and responsibilities, and provide assistance with the preparation, development, instruction and assessment of recitations, as well as computer lab and other Computer Science instructional venues. Instructors will provide assistance in computer labs and activities that support Computer Science courses. The Assistant Instructor will require experience relating to UNIX systems, and proficiency in computer languages including Python, Java, C, and x86 assembler. Furthermore, experience with Operating Systems, Networking, Databases, and Distributed Systems is highly desired. The instructors are expected to reinforce and adhere to safety and safeguarding protocols and maintain cleanliness of laboratories and workspaces.

New York University has established itself as a Global Network University, a multi-site, organically connected network encompassing key global cities and idea capitals. The network has three degree-granting campuses - New York, Shanghai, and Abu Dhabi - complemented by 12 additional academic centers across five continents. Faculty and students will circulate within the network in pursuit of common research interests and cross-cultural, interdisciplinary endeavors, both local and global.

Entering its fourth year, NYU Abu Dhabi has recruited a cohort of faculty who are at once distinguished in their research and teaching. Our students are drawn from around the world and surpass all traditional recruitment benchmarks, both US and global. NYU Abu Dhabi’s highly selective liberal arts enterprise is complemented by an institute for advanced research, sponsoring cutting-edge projects across the Arts, Humanities, Social Sciences, Sciences, and Engineering.

Applicants need to submit a curriculum vitae, statement of research and teaching interests, representative publications and three letters of reference in PDF format to be considered. Please visit our website at http://nyuad.nyu.edu/about/careers/faculty-positions.html for instructions and other information on how to apply. The application deadline is June 15, 2013. If you have any questions, please e-mail nyuad.science@nyu.edu.
