POST-DOCTORAL RESEARCHER POSITIONS
Psychology
NYU Abu Dhabi

The Psychology Department at New York University Abu Dhabi is inviting applications for fully-funded postdoctoral associate positions in the area of Psychology with interests in studying the limitations of memory and attention.

Postdoctoral researchers will work under the supervision of Dr. Daryl Fougnie. The Fougnie lab focuses on understanding cognitive limits through psychophysics and modeling approaches. Moreover, Postdoctoral Fellows will have access to EEG and fMRI facilities and will be encouraged to incorporate these methods into their research when appropriate.

Candidates must hold (or be close to completing) a Ph.D. in Psychology, Computer Science, Neuroscience, or a related field. The ideal candidate will possess strong computational skills and have experience with Matlab, or an equivalent programming language. Knowledge of computational modeling, EEG, and/or fMRI approaches, or web-based programming are useful skills that should be detailed in the research statement.

Applications will be accepted immediately. To be considered, all applicants need to submit a cover letter, curriculum vitae with full publication list, statement of research interests, representative publications, and two letters of reference, all in PDF format. For instructions and information on how to apply, please visit our website at http://nyuad.nyu.edu/en/about/careers/faculty-positions.html. If you have any questions, please email darylfougnie@nyu.edu.

The appointment opens starting on January 1st, 2015. A later start date is possible based on the needs of the applicant. Applications will be considered on a rolling basis. The terms of employment include competitive salary, housing, and other benefits. Please note that UAE does not levy income tax.

About NYUAD:
New York University has established itself as a Global Network University, a multi-site, organically connected network encompassing key global cities and idea capitals. The network has three foundational degree-granting campuses: New York, Abu Dhabi, and Shanghai, complimented by a network of eleven research and study-away sites across five continents. Faculty and students will circulate within this global network in pursuit of common research interests and the promotion of cross-cultural and interdisciplinary solutions for problems both local and global.

Entering its fifth year, NYU Abu Dhabi has recruited a cohort of faculty who are at once distinguished in their research and teaching. Our students are drawn from around the world and surpass all traditional recruitment benchmarks, both US and global. NYU Abu Dhabi’s highly selective liberal arts enterprise is complimented by an institute for advanced research, sponsoring cutting-edge projects across the Arts, Humanities, Social Sciences, Sciences, and Engineering.

NYU Abu Dhabi is an Equal Opportunity/Affirmative Action Employer.
