NEW YORK UNIVERSITY ABU DHABI
CAMPUS POLICY
NYUAD High Performance Computer (HPC) Group Storage Space
Quotas on /archive Policy

Effective Date: Nov 18, 2012  Date approved: Nov 18, 2012
Supersedes: n/a
Issuing Authority: Chief Information Office, NYUAD
Responsible Officer: NYUAD HPC Manager, NYUAD

PURPOSE OF POLICY

This policy defines the group quotas on /archive policy for NYUAD’s HPC facilities

SCOPE OF POLICY

This policy applies to NYUAD’s HPC equipment, facilities and associated services.

DEFINITIONS

These definitions apply to these terms as they are used in this policy:

HPC       High Performance Computer

1. POLICY

Group Quotas on /archive

HPC accounts include an allocation of 2 TB of storage in /archive. An HPC sponsor may request that his/her storage space quota and the quota of his/her research group be combined to create a single larger space. The following conditions apply:

• Requests must be made by the HPC account sponsor to nyuad.it.help@nyu.edu
• All of the members of the research group must share the same sponsor.
• All research group members must be active users of the HPC system.

The sponsor's account will hold the full storage space quota and each individual's quota will be set to 0.
Requests will be considered by HPC management and assessed by evaluating the need for it and availability. HPC account sponsors will receive a response to their request within 1 week.

Maximum size of group quota is 10 TB. Additional storage can be added at a cost (TBD).
