FACULTY POSITIONS
Chemistry
NYU Abu Dhabi

New York University Abu Dhabi invites applications for a tenure track faculty position in computational chemistry, preferably at the rank of Associate or Full Professor. At this time, we are seeking individuals with a history of outstanding accomplishments in research and scholarship, with interests in teaching and guiding undergraduate research projects, as well as advising graduate students. The Division of Science and Mathematics at NYU Abu Dhabi will be housed in the new campus currently under construction on Saadiyat Island adjacent to Abu Dhabi. The successful candidate will have priority access to the NYU Abu Dhabi High Performance Computing facilities, including the newly built Butinah cluster that has more than 6400 cores and was benchmarked at 70 TFLOPS. Furthermore, the successful candidate will receive a competitive research setup package and will have the opportunity to compete for research support from US Government agencies.

New York University has established itself as a Global Network University, a multi-site, organically connected network encompassing key global cities and idea capitals. The network has three degree-granting campuses - New York, Shanghai, and Abu Dhabi - complemented by 12 additional academic centers across five continents. Faculty and students will circulate within the network in pursuit of common research interests and cross-cultural, interdisciplinary endeavors, both local and global.

Entering its third year, NYU Abu Dhabi has recruited a cohort of faculty who are at once distinguished in their research and teaching. Our students are drawn from around the world and surpass all traditional recruitment benchmarks, both US and global. NYU Abu Dhabi’s highly selective liberal arts enterprise is complemented by an institute for advanced research, sponsoring cutting-edge projects across the Arts, Humanities, Social Sciences, Sciences, and Engineering.

The terms of employment are competitive and include housing and educational subsidies for children. Faculty may also spend time at NYU New York and other sites of the global network, engaging in both research and teaching opportunities. The appointment might begin as soon as September 1, 2013, but candidates may elect to start as late as September 1, 2014.

Applications are due by November 15, 2012; applications received later will be reviewed until the positions are filled. We will consider senior candidates on a rolling basis. Candidates should submit a curriculum vitae, statements of research and teaching interests, no more than three representative publications and three letters of reference in PDF format to be considered. Please visit our website at http://nyuad.nyu.edu/human.resources/open.positions.html for instructions and other information on how to apply. If you have any questions, please e-mail nyuad.science@nyu.edu.

NYU Abu Dhabi is an Equal Opportunity/Affirmative Action Employer.
