NYU Abu Dhabi is currently inviting applications for a full time, non-tenure track position at the rank of Lecturer of Chinese Language with a course load of 3/3 courses per academic year. This appointment will begin next academic year. The appointee will join a developing Chinese language program in an exciting linguistic and cultural context. Salaries are competitive with a generous benefits package that includes relocation, housing allowance, transportation allowance, medical insurance, educational subsidies for children and home leave travel. Appointments are for up to three years with the opportunity to renew.

An M.A. in the Chinese Language, Chinese Literature, Second Language Acquisition, or a related field is required. Candidates possessing a Ph.D. will be given preference. We seek candidates with a strong ability to teach Mandarin Chinese at all levels (to native or non-native learners); a minimum of 4 years of experience of teaching college level Chinese independently; a proven record of teaching Chinese effectively to English speaking, especially non-heritage learners; and familiarity with computer aided technology in teaching. Experience in developing course materials is also required. Good interpersonal skills to collaborate with colleagues and actively interact with students in a multicultural education setting are highly desirable.

Interested applicants should submit a cover letter, curriculum vita, a statement of teaching philosophy, a portfolio containing evidence of teaching effectiveness and if possible, two syllabi for courses at different levels.

Review of applications will continue throughout the year until the position is filled. Due to the high volume of applications, only those selected for interview will be contacted. Hiring for this position is subject to final budgetary approval. If you have any questions, please e-mail nyuad.chineselanguage@nyu.edu.

About NYUAD:
New York University has established itself as a Global Network University, a multi-site, organically connected network encompassing key global cities and idea capitals. The network has three foundational degree-granting campuses: New York, Abu Dhabi, and Shanghai, complemented by a network of over 11 research and study-away sites across five continents. Faculty and students will circulate within this global network in pursuit of common research interests and the promotion of cross-cultural and interdisciplinary solutions for problems, both local and global.

In its sixth year, NYU Abu Dhabi has recruited a cohort of faculty who are at once distinguished in their research and teaching. Our students are drawn from around the world and surpass all traditional recruitment benchmarks, both US and global. NYU Abu Dhabi’s highly selective liberal arts enterprise is complemented by an institute for advanced research, sponsoring cutting-edge projects across the Arts, Humanities, Social Sciences, Sciences, and Engineering.
