The Arts and Humanities Division at New York University Abu Dhabi (NYUAD) is inviting applications for full-time faculty positions in Music Technology at any level (Lecturer, Professor of Practice, Assistant, Associate or Full Professor).

We encourage applicants with a minimum of a Master’s degree in Music Technology or the equivalent. Candidates should have at least five years’ experience in the music industry as an audio engineer and/or music producer. Candidates for Assistant Professor and above positions should have completed a PhD or plan to graduate by June 2016. An ideal applicant would be an excellent communicator both orally and in written English.

Faculty in Music Technology in the NYUAD Music Program play an integral role in the development of students’ education in the areas related to audio engineering, music production, and mastering. Successful candidates are expected to teach courses related to audio engineering, music production, and mastering (three courses per academic year), to coordinate student support and engagement with the NYUAD Arts Center in projects involving concert recording and sound reinforcement for events as part of their teaching activity, and will also assist students in Capstone projects that involve music recording.

The terms of employment are very competitive. Appointments are for up to three years with the opportunity to renew. For more details on the NYUAD Arts and Humanities program, please visit http://nyuad.nyu.edu/en/academics/academic-divisions/arts-humanities.html

Review of applications will begin February 1, 2016, and the position will be open until filled. Applicants should submit a complete set of transcripts for all coursework, a curriculum vitae, a teaching statement, and contact information for three references. A portfolio demonstrating the candidate's relevant work in the field of sound engineering/music production will be requested at a later stage. Please visit our website at http://nyuad.nyu.edu/about/careers/faculty-positions.html for instructions and other information on how to apply. If you have any questions, please e-mail nyuad.musictech.position@nyu.edu.

About NYUAD:
New York University has established itself as a Global Network University, a multi-site, organically connected network encompassing key global cities and idea capitals. The network has three foundational degree-granting campuses: New York, Abu Dhabi, and Shanghai, complimented by a network of over 15 research and study-away sites across five continents. Faculty and students will circulate within this global network in pursuit of common research interests and the promotion of cross-cultural and interdisciplinary solutions for problems both local and global.

In its sixth year, NYU Abu Dhabi has recruited a cohort of faculty who are distinguished in their research and teaching. Our students are drawn from around the world and surpass all traditional recruitment benchmarks, both US and global. NYU Abu Dhabi’s highly selective liberal arts enterprise is complemented by an institute for advanced research, sponsoring cutting-edge projects across the Arts, Humanities, Social Sciences, Sciences, and Engineering.
