New York University Abu Dhabi invites applications for non-tenure track faculty positions at the rank of Lecturer for appointment to its Division of Engineering. We encourage applications from candidates with strong interests in teaching and strong records of scholarship. The successful candidate will instruct laboratory-intensive courses in engineering and contribute to the Engineering Common Courses. An ability to think creatively about teaching is required. Opportunities for professional development are available.

Terms of employment are competitive and include housing and educational subsidies for children. The closing date for applications is June 15, 2016 and appointment will begin on September 1, 2016.

To be considered, candidates should submit a curriculum vitae, statements of research and teaching interests, no more than three representative publications and three letters of reference, all in in PDF format. When submitting references you will be asked for the contact information of your reference authors, who will be directly solicited to submit their letters through our online system. Please visit our website at http://nyuad.nyu.edu/en/about/careers/faculty-positions.html for instructions and other information on how to apply. If you have any questions please email nyuad.engineering@nyu.edu.

About NYUAD:
New York University has established itself as a Global Network University, a multi-site, organically connected network encompassing key global cities and idea capitals. The network has three foundational degree-granting campuses: New York, Abu Dhabi, and Shanghai, complemented by a network of over eleven research and study-away sites across five continents. Faculty and students will circulate within this global network in pursuit of common research interests and the promotion of cross-cultural and interdisciplinary solutions for problems, both local and global.

Entering its seventh year, NYU Abu Dhabi has recruited a cohort of faculty who are at once distinguished in their research and teaching. Our students are drawn from around the world and surpass all traditional recruitment benchmarks, both US and global. NYU Abu Dhabi’s highly selective liberal arts enterprise is complemented by an institute for advanced research, sponsoring cutting-edge projects across the Arts, Humanities, Social Sciences, Sciences, and Engineering.
