POST-DOCTORAL RESEARCHER POSITION
Social Science Experimental Laboratory (SSEL)
NYU Abu Dhabi

The Social Sciences Experimental Laboratory (SSEL) at NYU Abu Dhabi is seeking a talented post-doctoral researcher. The position will commence August 1, 2016 (but the exact start date is negotiable) and will be based in Abu Dhabi although the position is likely to involve travel to NYU’s New York and Shanghai campuses as well as other locations. The position is for two-years, but can be renewed for a third year after successful performance in the first year. The position provides remuneration higher than internationally competitive rates for postdoctoral positions in addition to generous benefits and travel allowances.

Responsibilities:
The successful candidate will take a leadership role in conducting lab, lab-in-the-field, and field experiments through SSEL under the direction of Professor Rebecca Morton, SSEL Director. The candidate will conduct own research and experiments in the social sciences under the direction of Rebecca Morton. In addition, the candidate is expected to allocate approximately 25% of your working time to provide assistance to faculty and students conducting experiments in the laboratory.

Qualifications:
Applicants should have a doctoral degree in economics, political science, sociology, or a related field or be near completion of such degree. Previous experience conducting social science experimental research (either lab, lab-in-the-field, and/or field) is essential. The successful candidate will have strong experimental design, data analysis, writing, and organizational skills. Knowledge of Z-Tree programming language is required. In addition, STATA, MATLAB, R, H-Root, ORSEE, and/or other computer languages used in laboratory experimentation is desirable. Candidates should also be self-motivated and willing to travel.

Applications will be accepted immediately. To be considered, all applicants need to submit a cover letter, curriculum vitae with full publication list, statement of research and teaching interests, representative publications, and two letters of reference, all in PDF format. For instructions and information on how to apply, please visit our website at http://nyuad.nyu.edu/en/about/careers/faculty-positions.html. If you have any questions, please email ssel@nyu.edu

The anticipated appointment starting date is August 1, 2016 and applications will be considered on a rolling basis. The terms of employment include competitive salary, housing, and other benefits. Please note that UAE does not levy income tax.

About NYUAD:
New York University has established itself as a Global Network University, a multi-site, organically connected network encompassing key global cities and idea capitals. The network has three foundational degree-granting campuses: New York, Abu Dhabi, and Shanghai, complemented by a network of over 15 research and study-away sites across five continents. Faculty and students will circulate within this global network in pursuit of common research interests and the promotion of cross-cultural and interdisciplinary solutions for problems, both local and global.

In its sixth year, NYU Abu Dhabi has recruited a cohort of faculty who are at once distinguished in their research and teaching. Our students are drawn from around the world and surpass all traditional recruitment benchmarks, both US and global. NYU Abu Dhabi’s highly selective liberal arts enterprise is complemented by an institute for advanced research, sponsoring cutting-edge projects across the Arts, Humanities, Social Sciences, Sciences, and Engineering.
