FACULTY POSITIONS
Political Science
NYU Abu Dhabi

New York University Abu Dhabi is inviting applications from political scientists for faculty positions at any level (assistant, associate or full professor, tenure/tenure track - senior candidacies also welcome) to strengthen its program in Political Science, for appointment on September 1, 2017. We encourage applications from all subfields of Political Science. You may visit the Political Science program’s website for a description of its innovative curriculum: http://nyuad.nyu.edu/en/academics/undergraduate-programs/majors/political-science.html

New York University has established itself as a Global Network University. The network has three foundational degree-granting campuses: New York, Abu Dhabi, and Shanghai, complemented by a network of eleven research and study-away sites across five continents. Our students are drawn from around the world and surpass all traditional recruitment benchmarks, both US and global. Our goal is to develop a cohort of international students attuned to and educated for an inclusive global society. Students and Faculty will circulate within the global network in pursuit of common research interests and the promotion of cross-cultural and interdisciplinary solutions for problems both local and global.

The excellent terms of employment are competitive and include generous start-up and on-going research funds, as well as housing subsidies and educational subsidies for children. Faculty may also spend an occasional semester at NYU New York and other sites of the global network, engaging in both research and teaching opportunities.

Applications are due no later than September 15, 2016. Campus visits to NYUAD will be held in October and November 2016, with the visits to NYUNY occurring in the succeeding four weeks. The review of applications will begin immediately, and will continue until the positions are filled. We anticipate that the successful candidates can start employment on or before August 15, 2017 subject to final budget approval.

To ensure full consideration by the search committee, applicants must submit their curriculum vitae, statements of research and teaching interests, and representative writing samples. To complete the online process, applicants will be prompted to enter the names and email addresses of at least three referees. Each referee will be contacted to upload his or her reference letter. Senior candidates are not required to submit references at this time.
