New York University has established itself as a Global Network University, a multi-site, organically connected network encompassing key global cities and idea capitals. The network has three foundational, degree-granting campuses: New York, Abu Dhabi, and Shanghai, complemented by a network of more than 15 research and study-away sites across five continents. Faculty and students will circulate within this global network in pursuit of common research interests, the promotion of cross-cultural understanding and solutions for problems, both local and global.

Entering its fourth year, NYU Abu Dhabi has recruited a cohort of faculty who are at once distinguished in their research and teaching. Our students are drawn from around the world and surpass all traditional recruitment benchmarks, both US and global. NYU Abu Dhabi’s highly selective liberal arts enterprise is complemented by an institute for advanced research, sponsoring cutting-edge projects across the Arts, Humanities, Social Sciences, Sciences, and Engineering.

NYU Abu Dhabi is currently inviting applications for multiple faculty positions in political science for appointments at all levels (assistant, associate and full professor). We are particularly interested in senior candidates for the position of Department Chair as well as researchers at any level in the following fields: IR, comparative politics (especially Middle Eastern politics), urban politics, health politics, and the history of political thought. Please visit the Political Science Program’s website for a description of its innovative curriculum: http://nyuad.nyu.edu/academics/catalog/majors.html?id=19&view=overview and the current faculty: http://nyuad.nyu.edu/academics/faculty.html

The terms of employment are competitive and include housing and educational subsidies for children. Faculty may also spend time at NYU New York and other sites of the global network, engaging in both research and teaching opportunities. The appointment might begin as soon as September 1, 2014, or could be delayed until September 1, 2015.

The review of applications will begin on September 10, 2013. Applicants need to submit a curriculum vitae, statement of research and teaching interests, representative publications and three letters of reference in PDF format to be considered. Please visit our website at http://nyuad.nyu.edu/human.resources/open.positions.html for instructions and other information on how to apply.
