Post Doctoral Position  
Trabolsi Research Group  
NYU Abu Dhabi

A postdoctoral position in Synthetic Organic, Supramolecular, Material and Polymer Chemistry is available at New York University Abu Dhabi.

New York University has established itself as a Global Network University, a multi-site, organically connected network encompassing key global cities and idea capitals. The network has three degree-granting campuses - New York, Shanghai, and Abu Dhabi - complemented by 12 additional academic centers across five continents. Faculty and students will circulate within the network in pursuit of common research interests and cross-cultural, interdisciplinary endeavors, both local and global.

In its third year, NYU Abu Dhabi has recruited a cohort of faculty who are at once distinguished in their research and teaching. NYU Abu Dhabi’s highly selective liberal arts enterprise is complemented by an institute for advanced research, sponsoring cutting-edge projects across the arts, humanities, social sciences, sciences, and engineering.

Candidates must hold a Ph.D. degree in chemistry or a related subject, with significant research experience in synthetic organic chemistry, coordination and supramolecular chemistry, nanoparticles, porous materials or polymer chemistry. Knowledge of electrochemistry, physical chemistry, and XRD, is desired. Excellent communication skills in English, ability to work in multi-disciplinary teams, and scientific creativity are essential.

Applicants must submit a curriculum vitae and the names and contact information for three references in PDF format to be considered. Review of applications will start immediately. Only shortlisted candidates will be contacted. Please visit our website at http://nyuad.nyu.edu/human.resources/open.positions.html for instructions and other information on how to apply. If you have any questions on applying, please e-mail Deirdre.tabak@nyu.edu.

Starting date: November 1, 2012.

Salary and benefits: competitive salary and benefits, including relocation, housing, and education, are offered.
