NYU Abu Dhabi

New York University has established itself as a Global Network University, a multi-site, organically connected network encompassing key global cities and idea capitals. The network has three foundational, degree-granting campuses: New York, Abu Dhabi, and Shanghai, complemented by a network of more than 15 research and study-away sites across five continents. Faculty and students will circulate within this global network in pursuit of common research interests, the promotion of cross-cultural understanding and solutions for problems, both local and global.

Entering its third year, NYU Abu Dhabi has recruited a cohort of faculty who are at once distinguished in their research and teaching. Our students are drawn from around the world and surpass all traditional recruitment benchmarks, both US and global. NYU Abu Dhabi’s highly selective liberal arts enterprise is complemented by an institute for advanced research, sponsoring cutting-edge projects across the Arts, Humanities, Social Sciences, Sciences, and Engineering.

NYU Abu Dhabi is currently inviting applications for faculty positions at any level (assistant, associate or full professor) for appointment to its program in Social Research and Public Policy. We encourage applications from candidates with outstanding teaching and research records across the social sciences (Sociology, Demography, Political Science, Economics, Social Psychology, Public Policy). We will consider applications from all areas of theoretically-informed policy relevant social research, including urban studies, immigration and public health. Please visit the Social Research and Public Policy Program’s website for a description of its innovative curriculum:
