The IEEE-UAE
Innovation & Research Program:
Distinguished Seminar Series – Fall 2020

Sunday, September 6, 2020 – 1 pm EST
Prof. Kamal Youcef-Toumi
Director of the Mechatronics Research Laboratory
Massachusetts Institute of Technology
USA

Sunday, September 13, 2020 – 12 noon EST
Prof. Athina Petropulu
Director of Signal Processing Research Laboratory
Rutgers, The State University of New Jersey
USA

Sunday, September 20, 2020 – 7pm KSA
Prof. Mohamed-Slim Alouini
Director of Communication Theory Research Laboratory
King Abdulla University of Science and Technology
KSA

Sunday, October 4, 2020 – 12 noon EST
Prof. Josep Jornet
Director of Ultra-broadband Nanonetworking Research Laboratory
Northeastern University
USA

Sunday, October 18, 2020 – 7 pm KSA
Prof. Ahmad Alabdulkareem
Co-Director of Center for Complex Systems
KACST & Massachusetts Institute of Technology
KSA & USA

Monday, November 2, 2020 – 12 noon EST
Prof. Muriel Medard
Director of Network Coding Research Laboratory
Massachusetts Institute of Technology
USA

Sunday, November 22, 2020 – 12 noon EST
Prof. Sofiene Affes
Director of Wireless Research Laboratory
National Institute of Scientific Research
Canada

Sunday, December 6, 2020 – 5 pm Greece
Prof. Konstantina Nikita
Director of the Mobile Radiocommunications Lab
National Technical University of Athens
Greece

Organized by:

Prof. Raed Shubair
Chair, IEEE-UAE Innovation & Research
IEEE Regional Director, Middle East
NYU Abu Dhabi & MIT
rshubair@mit.edu

Mohamed AlHajri
Distinguished Seminar Series Co-organizer
Claude Shannon Communication Network Lab
Electrical Engineering and Computer Science, MIT
malhajri@mit.edu
