

The IEEE-UAE
Innovation & Research Program:
Distinguished Seminar Series - Spring 2021

March 8, 2021 - 11:00-12:00 noon (EST) / 8:00-9:00 PM (UAE)

Prof. H. Vincent Poor
Wireless Networks & Information Theory
Princeton University, USA

March 15, 2021 - 9:00-10:00 AM (PST) / 8:00-9:00 PM (UAE)

Prof. Ana Claudia Arias
Printed Electronics & Flexible Materials for Medical Devices
University of California, Berkeley, USA

March 22, 2021 - 4:00-5:00 PM (Paris) / 7:00-8:00 PM (UAE)

Prof. Marco Di Renzo
Laboratory of Signals and Systems
CentraleSupélec, Paris-Saclay University, France

March 29, 2021 - 12:00-1:00 PM (EST) / 8:00-9:00 PM (UAE)

Prof. Fawwaz Ulaby
Remote Sensing & Radar Systems
University of Michigan, Ann Arbor, USA

April 5, 2021 - 11:00-12:00 noon (EST) / 7:00-8:00 PM (UAE)

Prof. Fawwaz Habbal
Executive Dean, Harvard School of Engineering and Applied Sciences
Harvard University, USA

April 19, 2021 - 10:00-11:00 AM (PST) / 9:00-10:00 PM (UAE)

Prof. Michelle Effros
Data Compression & Wireless Networks
California Institute of Technology (Caltech), USA

April 26, 2021 - 1:00-2:00 PM (EST) / 9:00-10:00 PM (UAE)

Prof. Wei Yu
Information Theory & Wireless Communications
University of Toronto, Canada

May 3, 2021 - 12:00-1:00 PM (CST) / 9:00-10:00 PM (UAE)

Prof. Romit Roy Choudhury
Wireless Networking & Mobile Sensing
University of Illinois, Urbana-Champaign (UIUC), USA

May 16, 2021 - 4:00-5:00 PM (UK) / 7:00-8:00 PM (UAE)

Prof. Kin Leung
Communications and Signal Processing
Imperial College London, UK

Organized by:

Prof. Raed Shubair (Program Director)
Chair, IEEE-UAE Innovation & Research
IEEE Regional Director, Middle East
New York University (NYU) Abu Dhabi
raed.shubair@nyu.edu

Mohamed AlHajri (Program Co-Director)
Claude Shannon Communication Network Lab
Electrical Engineering and Computer Science
Massachusetts Institute of Technology (MIT)
malhajri@mit.edu
