Note: A mandatory minor or second major is required. Students may declare any minor or major approved for NYUAD students to fulfil the minor or second major requirement. However, a second major or minor in economics or business-related fields will not satisfy the BOS requirement. Students who declare economics as a second major must complete a minor that is not economics or business-related. Students who declare economics as a minor must complete a second minor that is not economics or business-related. Second majors or minors that do not adhere to these exclusions will not be approved.
