

Campus Farewell Tour

Dear Seniors,

As your journey on this campus comes to an end we hope you can take a moment to reflect on all the memories you've made in the space with the people who are special to you.

We welcome you to retrace your steps from your first year and visit our photo spots spread around campus. We have some exciting interactive booths as well as opportunities for you to take your own photos, both digital and film. Please use the map below to find our photo stations located both on the ground floor and Highline.

Please use this time to introduce your families and loved ones to professors and staff who've supported your NYUAD journey.
