Do you have questions about preparing your docket for contract renewal,
promotion or tenure?

Information Sessions SPRING 2022

Advancing in a faculty career appears to be a linear path, but the policies, procedures, and guidelines governing this process can be tricky.

Join the Vice Provost for Faculty Advancement and Engagement, leaders from Academic Appointments and other faculty members who have successfully navigated the NYUAD faculty career advancement path in the **NYUAD Faculty Life Cycle Explained Information Sessions** offered every semester and all standing faculty can register for these. **Docket Preparation Workshops** a few months prior to the deadlines for docket submission and all faculty with an upcoming docket deadline will be invited.
