## EXPERIENCE

### New York University Abu Dhabi

#### Associate Instructor, Economics Department

Abu Dhabi, UAE

2020 – Present

*Courses taught: Economic Policy, Intermediate Macroeconomics, Intermediate Microeconomics, Markets and Introduction to Statistics to a class of 25+ students every semester*

- Tailored course curriculum in conjunction with professors and academic team to incorporate latest economic trends and research publications
- Leveraged several resources such as World Bank Data, Financial Times, IMF and other open data sources to inform economic research and assist students in practical applications
- Designed course structure and taught students technical aspects of applications such as Bloomberg, Stata and Excel to help them analyze relevant economic and financial data in projects and assignments

### Deutsche Bank

#### Senior Analyst, Risk and Portfolio Management

Mumbai, India

2017 - 2019

- Created \$3.5B CLO product based on success of the \$1B product in generating liquidity for the bank; new CLO product resulted in a \$1B relief per month for the bank with the same client continuing investment in the CLO
- Designed TABLEAU dashboards for showcasing detailed analyses of monthly trade finance portfolio to the client and internal stakeholders
- Built fully automated KPI dashboards using VBA for the Global Lead of trade finance deal management, helping showcase various financial and productivity KPIs of different teams in the department
- Streamlined data collection process by collaborating with 20+ global teams to integrate into the automated dashboards; automation resulted in 90% reduction in process time through elimination of operational risks

#### Analyst, Risk and Portfolio Management

2015 - 2017

- Managed a \$1B Collateralized Loan Obligation (CLO, securitization product) generating RWA (Risk Weighted Assets) liquidity relief of ~\$300M per month for the bank
- Defined monthly trade finance products portfolio by analyzing S&P ratings for the CLO to ensure regulatory requirements were met
- Generated monthly payment reports for the CLO in compliance with stringent audit and regulatory checks; report used for disbursing interest payments to client invested in the CLO

## EDUCATION

### Ashoka University

Young India Fellowship (Dean's List – top 10%)

Haryana, India

2019 - 2020

### Delhi School of Economics, University of Delhi

Masters in Economics

Delhi, India
