

CGSB 2019 FIKRET SCIENCE CLUB

A silhouette of two hands holding a glowing star against a sunset background. The hands are dark blue, and the star is a bright yellow circle with a white center. The background is a gradient of orange and yellow, suggesting a sunset or sunrise. A white horizontal line is positioned above the star.

LIVING WITH A STAR

DR. SHRAVAN HANASOGE, NYU(AD)

OCTOBER 8, 2019, 5-7 PM
